Through the years we have been known as the school on the other side of town. Now, because of our many accomplishments, other schools are recognizing that not only are we a school, but we are a group of people who have finally been noticed, and **We Are the Panthers.** No matter what facet of school you are involved in **YOU are a Panther.** As you look through this yearbook, remember the people and places that made being a Panther so unique.

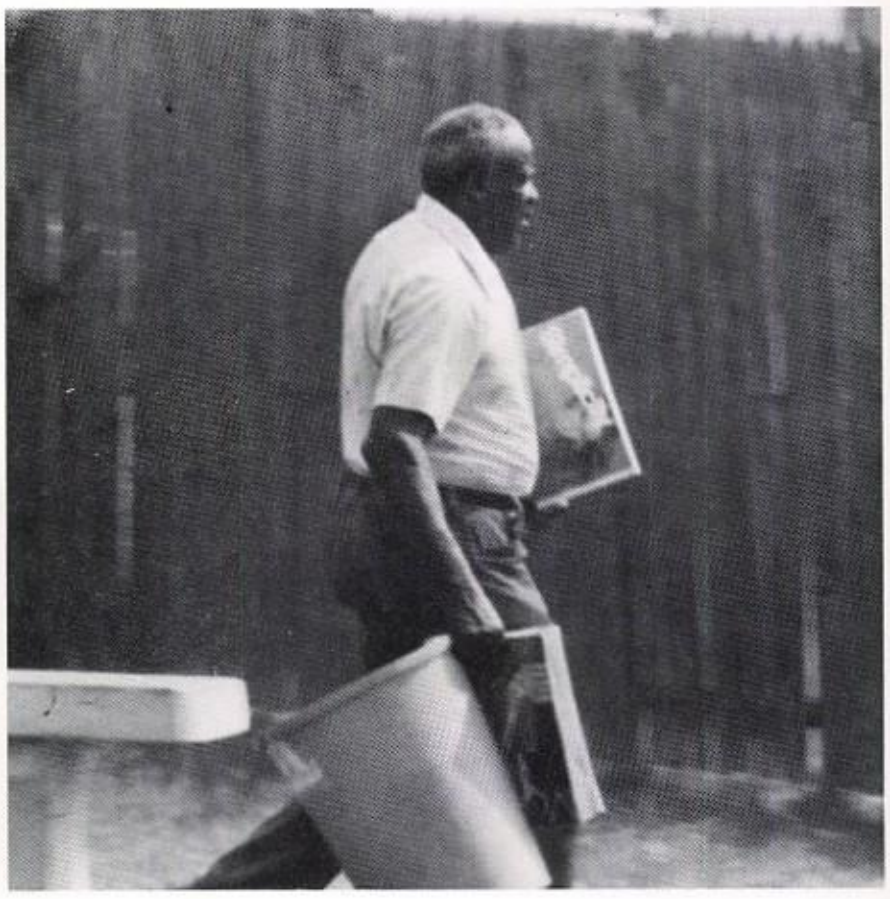
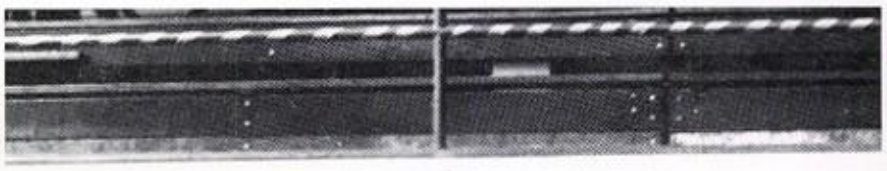
Class of '81 Dedicates *Yacht* to Mr. Woodrow Thompson





This man is one of the most seen people at North Lamar. His work, however, is sometimes overlooked. His work as a custodian is truly appreciated by both students and faculty alike. He not only spends his weekdays on campus, but you can always count on him being at almost every athletic event. He is probably the Panthers' most loyal fan.

For his constant devotion to our school, we, the Class of 1981, dedicate the 1981 *Yacht* to you . . .

Pantherettes Go to State Tournament

A first for North Lamar! For the first time ever, the Pantherettes competed in basketball past the Bi-District level. In Bi-District, the Pantherettes played Pittsburg and defeated them 48-40. At the Regional Tournament, the opponents were Whitehouse and Northwest. Both games were wrapped up with scores of 44-40. The State Basketball Tournament was held in Austin. In the first round of the tournament, the Pantherettes were defeated by Hayes Consolidated with a score of 42-36.

Career Day was held for students to attend sessions with speakers in different fields to help them decide their future professions.

Bobby Fortner is Elected First Male Yell Leader

Many students were absent from school during the spring as they participated in district and regional sports and U.I.L. events.

Students were also occupied with the various tryouts, conventions, and banquets. For the first time in the history of North Lamar, a boy was chosen as Varsity Cheerleader when Bobby Fortner won the honor.

The library held a book fair for students, and the science classes participated in the fifth annual science fair which was held in the gym.

Some North Lamar Students participated in the Annual Junior Livestock show which was held at the fairgrounds.

Tryouts and rehearsals were also held for the Senior Play, *Here Come the Brides* which was to be presented later in May.

Pantherettes Finish Fourth in State Meet

The end of school, as always was very busy. The band went to contest, and they also had a spring concert.

Seniors put on a play called *Here Come the Brides.* Athletes were once again honored with the All-Sports Banquet which was held in the High School Gym because of the anticipated crowd, and the speaker foir the banquet was Mike Ditka.

The Junior High Gym was the scene of the Junior-Senior Prom; Junior and Senior girls decorated the gym to match the theme of "We May Never Pass This Way Again." Rabbit provided music for the Prom. Kartridge Korner provided music for the breakfast following the prom which was held at Paris Golf and Country Club.

Girls' Track Team traveled to Austin to participate in the State Track Meet and finished in fourth place. In literary events, Jeff Draper won first place in Number Sense in State U.I.L. Competition.

As tradition goes, the 1980 *Yacht* arrived late. Finally, on May 21 the book was handed out to students with sufficient time left for signing books.

Clubs started winding up their year's activities by having parties to spend the money which they had earned during the year. Boys baseball team fell in a bi-district series to Linden-Kildare.

The big day finally arrived for the Class of '80. Many students were glad that the end of the year had arrived, but for many of the 120 Seniors this was not the case. As they said goodby to their friends and teachers, the 1980 school year was brought to a close with mixed emotions.

Kelly Weddle, Renee Van Hooser Attend Girls' State

Summer months were filled with the usual gamut of camps for organizations such as Majorettes, Cheerleaders, Flag Corps Members, and Drum Majors. Members of these organizations attended their respective camps in order to prepare for the coming fall.

Picnics, swimming, skiing, and camping provided entertainment on the long, hot summer days. Other students endured the record-breaking heat by working or just resting.

A new concession stand was built on the visitor's side of the football field, and restroom facilities were also added to them. Also, a sign was placed at the south end of the field to identify it as the home of the Panthers, and to accredit them for their various championships. The high school gym was also painted in the school colors of blue and gold.

Band practice and football practice took up many of the summer hours for students involved in these activities. Summer ended in the same manner that it started — very hot.

(Top Left) **Summer Fun!** Jon James fights the summer heat by skiing.

Freshmen Have First Orientation

August and the start of school brought a continuation of band and football practice. Band members practiced early each morning to learn shows and music to be performed at football games and pep rallies. Football team scrimmaged Cooper and Hugo, Oklahoma, to get ready for regular season games.

For the first time, orientation was held to introduce new freshmen to the high school and its rules and requirements. School began on August 15, and the first few weeks were spent getting back into the routine of school and electing class officers and representatives.

Booster Club Sponsors Watermelon Supper

September was a very busy month for the students and faculty at North Lamar. Football season began, and this was a hectic time for the football team, cheerleaders, band members, and others closely associated with football. Volleyball season also began in September.

The Athletic Booster sponsored a Watermelon Supper encouraging people to join the Booster Club and honoring all athletes from seventh grade through high school.

Clubs began to organize and plan their activities for the oncoming year. Tri-Hi-Y Senior members initiated new members by making them dress tacky and play games like small children, rather than having a formal initiation.

Senior pictures were also made, and the Student Council took orders for mums to begin preparing for Homecoming.

(Middle Right) **Returning the Volleyball:** Denise Bailey returns a serve as teammates look on.

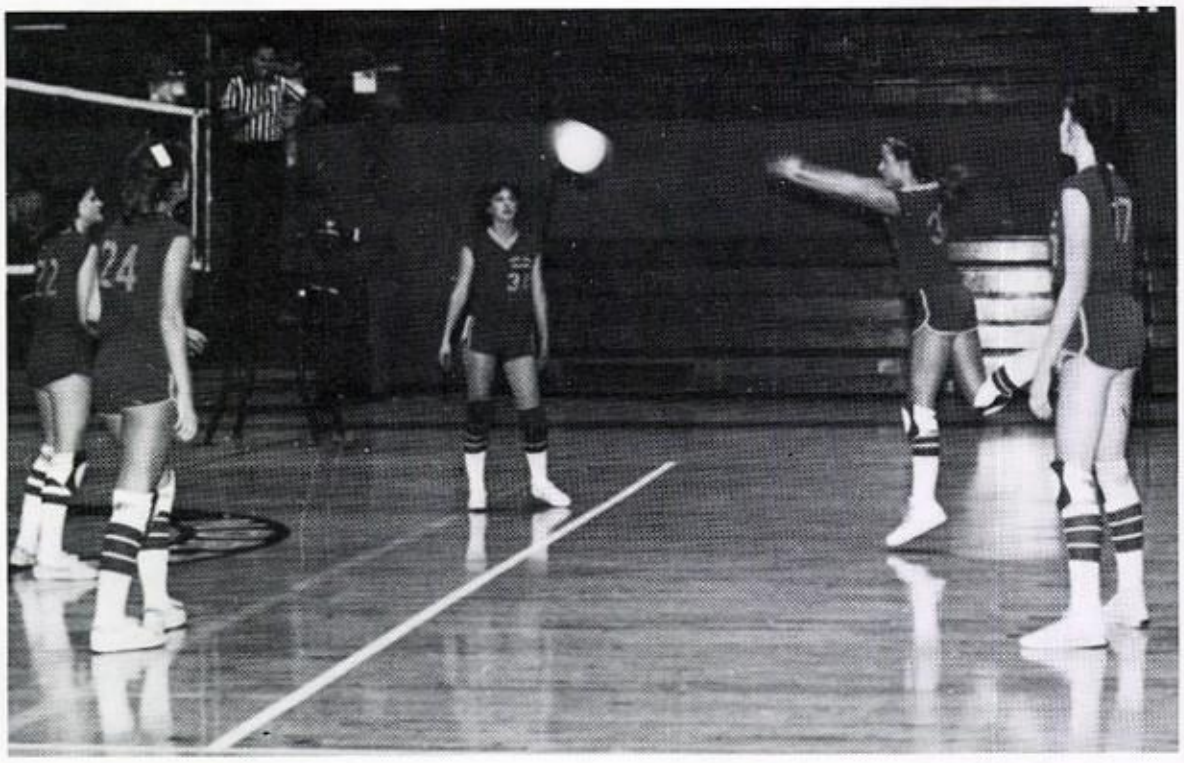
Homecoming was the main event in the month of October. Decorating for Homecoming allowed students to miss a day of classes to prepare halls for exes to tour.

Each club had a portion of the hall and building to decorate. Beta Club and Tri-Hi-Y decorated the Junior High Gym where the dance was to be.

Homecoming Day was a normal day until the hour-long pep rally was held that afternoon. Homecoming Queen nominees Brenda Skeen, Rochelle Webb, and Michele Darnell were introduced and students cast their votes. Prizes were awarded to winners of decorating contests.

Football players presented fans a Homecoming victory against Trinity Christian by a score of 45-12. During half time activities, Brenda Skeen was crowned Homecoming Queen by Jana Graves. Kartridge Korner provided music for the dance following the game.

Also in October, Junior and Senior girls played the annual Powderpuff game, and Seniors won by a score of 32-0. Football and Volleyball teams continued their seasons.



(Top Right) **Powderpuff Practice:** Seniors Tammy Holsenbeck, Lori Stephens, Tammy Harris, Lisa McAllister, Breanna Vanderburg, and Kelly McAllister practice for the big game.

Resting: Todd Tisdell (#40) and Ronald Hayes (#15) take a break while the defense is on the field.

Volleyball Team Wins Bi-District

November brought the end of football season and advancement to regional play for the volleyball team after they defeated New Boston in Bi-District. After defeating Lake Worth in the regional tournament, the girls were defeated by Van. Basketball season also came with November.

Annual bonfire was held the night before the Prairiland football game. This was a change from the traditional Homecoming Bonfire, and it was considered a huge success.

College night was held for all Juniors and Seniors who were interested in attending college. Representatives from several colleges and universities were on hand to assist students in their plans.

The band attended marching contests in Texarkana, which was a first for the band. Members received a rating of three for their performance.

On the day before Thanksgiving, the Junior High Powderpuff Game was cancelled due to the first snow of the season.

Band Marches in Christmas Parade

December was filled with Christmas related activities. Christmas parties and ringing bells for the Salvation Army filled after school hours for members of many clubs. Sammy Cunningham entertained student body with his magic, and the band and combined choirs presented a concert of winter and Christmas music. Band participated in the Paris Christmas Parade.

Classes were disrupted in order for club pictures to be taken. Also the Junior High Powderpuff game was finally played, and the eighth grade defeated the seventh grade. Semester exams were given tbe last two days before school was dismissed for the Christmas holidays. Students who were exempt from exams enjoyed a few extra days off for Christmas.

Panthers Defeat Prairiland 52-48

For the third consecutive year, North Lamar Math and Science Meet was sponsored by Math Club. All district band try-outs were held at North Lamar, and 19 band members won chairs. All-District band concert was held in Mt. Vernon. Student Council sponsored a concert given by Free Fare, a musical group from Florida.

Basketball season continued throughout January and February. The big game against Prairiland was played at Paris High Gym due to a fire that damaged North Lamar Gym. Boys defeated the undefeated Patriots to win the first half of district play.

Clubs attended conventions, and this provided a good excuse for some members to miss school.

The Third Annual Valentine Sweetheart contest, sponsored by the choir, was held February 13. Renee VanHoser was chosen High School Sweetheart, and Angie Abbott was chosen Junior High Sweetheart.

Majorette, flag corps, and drum major tryouts were held the second week in February.

North Lamar Celebrates Tenth Anniversary

On August 1, 1968, a new school was added to the Red River Valley. It contained 14 classrooms and six offices. On October 15, of the same year, a gymnasium and cafeteria were added. The new high school was a consolidation of the Reno and Powderly High Schools. It was appropriately named Powderly-Reno High School.

In 1969, Central School District joined the district, and its name was changed to North Lamar Independent School District. During the 1970-71 school year, four classrooms, one agriculture building, one home economics building, and a field house were added. Then, in 1974, an Auto Mechanics Building was added, bringing the total square footage for the high school to 69,192 square feet.

In 1975, the last school joined the district. This was Chicota Independent School District. In 1976, an administration building and tax office were added to the complex.

In 1974, a Junior High School was built on North Lamar's campus with a total of 5,500 square feet. Finally, in 1975, the school complex's last building, Everett Elementary school was added. The total area of this building was 23,984.

Faculty members in the 1970-71 school year numbered 21; at the present time, there are 40 faculty members in the high school.

North Lamar ISD is presently increasing at an average of one hundred students each year. A new junior high building has been proposed to allow for the fast growing enrollment.

Over the past ten years North Lamar has received numerous awards for both academic and athletic accomplishments, and has finally gained recognition as a separate district by the citizens of Paris. Good faculty, respected administration, and supportive student body have made North Lamar the district that it is today.

Varsity Cheerleaders for 1980-81 are: Patti McIntyre, Sherri Hudgens, Lisa McAllister, Mascot Candi Carico, Bobby Fortner, Dee Hillers, and Rochelle Webb.

Mascot Has New Costume

Six Varsity cheerleaders and alternate attended S.M.U. Cheerleading Camp during the summer. For their efforts, they received four superior and one excellent ribbon. For the remainder of their summer days, they practiced in the mornings so that their enthusiasm would spread to the Panthers and fans alike when football season began. School finally started, and with it came football season and the weekly duties of making signs and preparing pep rallies.

Several new activities made this year different from all others: Cheerleaders designed a new Panther mascot costume, and the Varsity and Junior Varsity cheerleaders represented NL in the Paris Christmas Parade. Cheerleaders also organized new spirit designs for the gym and started a new tradition in pep rallies with formal openings. Cheerleading at North Lamar can't be carried off by anybody; it takes a special kind of person to support the team with as much enthusiasm as they did.

(Bottom) **Getting Ready!** Pantherettes Tina Starks, Loretta Cooper, and Eva Ellis prepare for the State Track Meet in Austin.

Pantherettes Are Fourth in State

The 1980 Pantherette Track Team started participating in track meets later than usual due to the number of members who were also members of the basketball team which participated in the State Tournament. This year's team had many Seniors who would compete in track at NL for the last time. Injuries plagued the team as key members were hampered at one time or another throughout the season.

As usual, Pantherettes won Pantherette Relays and the District 15-AA Track Meet. Pantherettes suffered a slight disappointment when they finished Second in the Regional Track Meet. The State Track Title was once again a possibility for the Pantherettes, but they returned home with a Fourth Place Finish.

*Bi-District

The North Lamar Baseball team had another super season in 1980. The Panthers won the district title with a 5-1 win over Commerce. Panthers opponent in Bi-District play proved to be a tough Linden-Kildare Tiger Team. Panthers played well, but the tigers scored when they needed to in order to win two games of the three game series. Panthers still won their second consecutive district championship with a season record of 17 wins and 7 losses.

Making First Team All-District were Billy Rosson, Roger Bryan, Tony Allen, Bryant Robbins, and Cliff Chadwick. Making Second Team All-District were Doug Fouse, Tony Anderson, and Tony Allen.

Panthers Win Homecoming 45-12

North Lamar opened the season on the road against Sulphur Springs Wildcats. Going into halftime, the Panthers had a 7-6 advantage over the Wildcats. In the second half, both teams scored again, but a two-point conversion put the Wildcats in the lead. Panthers were defeated 14-13.

The Bonham Warriors were the Panther opponents at the first home game of the season. The score was tied at halftime with one touchdown each. Panthers scored the only points of the second half. The Panther defense played outstandingly resulting in a 13-7 victory.

The Panthers traveled to Hughes Springs to play the Mustangs the third game of the season. Panthers scored on their first possession after the Mustangs failed on an onside kick. As the Panthers continued to put points on the board, Coach Glover put in the second team at the beginning of the second half. Panthers headed home with a 39-14 victory under their belts.

The Hooks Hornets were the Panthers' opponents as they traveled again. Panthers were given many opportunities to score, but they only took advantage of three of them. Panthers led 7-0 at halftime. They played better the second half as they scored two more touchdowns to bring their total to 22. The final score was 22-0.

Panthers hosted Trinity Christian Trojans for Homecoming and seemed to be playing right as they led 25-6 at halftime. Panthers had a total of 497 total yards for the night, and both offense and defense played well, and they wrapped up another victory of 45-12.

The Pittsburg Pirates traveled to North Lamar to start play after open week. Panthers played very hard and extremely well, but the big, fast Pittsburg team proved to be too much for them. Panthers were shut out 16-0 by the Second State Ranked Pittsburg Team.

Panthers played at home again as Mt. Vernon Tigers traveled to NL. The score was 27-0 at the half, and Mt. Vernon's bad luck continued as they ended the game with a -14 yards. Panthers put together a super team effort and did no wrong as they sent the Tigers home with a 53-0 defeat.

On the road again, Panthers met the Winnsboro Red Raiders. Due to super defensive plays, the Panthers led 14-0 at the half. The second half belonged to Red Raiders as they scored two touchdowns. The game was a fight to the finish, and the Panthers came out on top 14-13.

Clarksville Tigers were the next opponent, as the Panthers went on the road for the last time. Panthers took advantage of Tiger mistakes and led 8-0 at halftime. Tigers came from behind in the last quarter and sent the Panthers home defeated 16-11.

As tradition goes, Prairiland Patriots traveled to NL for the last game of the season. Panthers played well as all three backs gained over 100 yards rushing, and the team defeated the Patriots 32-14.

Panthers finished the season with a 7-3 record. It was a good season for North Lamar students and the Panther Team.

Two Drum Majors Lead Band

New challenges came in 1980-81 for the Panther marching band. For the first time the band performed in a marching contest in Texarkana and rated a three. Members also sold candy and birthday calendars to raise money for a trip to Galveston for a playing contest in the spring.

The newly formed Band Booster Club was in charge of all concession stands this year.

Members marched in the Paris and Blossom Christmas parades and performed a Christmas Concert for the student body. Richard Watson was selected for the All-Region Band.

North Lamar Has 607 Students

Enrollment at North Lamar High School in the 1980-81 school year was 607. Thirty-five faculty members were employed to supervise the education of 122 Seniors, 163 Juniors, 150 Sophomores, and 172 Freshmen.

This year North Lamar switched from the quarter system back to the semester system. In order to graduate, a student was required to obtain 21 credits. Students had to take required subjects, and they also had to obtain credits through electives.

Courses were offered on three levels in high school to provide for the students' individual needs. Advanced studies were offered for accelerated students in English, Math, Social Studies, and Science. These subjects were also offered on regular and basic levels.

Several new courses were offered this year such as Speech II, which was offered in conjunction with Speech I, Business Math, and Stage Band.

1980 Brings Presidential Election

Election time rolled around once again in 1980, and the Presidential Election was the big issue. Presidential and Vice Presidential Candidates and their parties were: Republicans Ronald Reagan and George Bush, Democrats Jimmy Carter and Walter Mondale, Libertarians Ed Clark and Davis Koch, and Independents John Anderson and Patrick Lucey.

Everywhere you looked at NL, there were campaign buttons, bumper stickers, and posters; and away from school there were billboards and radio and television advertisements to try to persuade citizens to vote for certain candidates.

Mr. Byrd, Mr. Hodgkiss, and Mrs. Hickman tried to get their students into the spirit of the campaign by decorating their classrooms with posters, bumper stickers, and various other materials in order to promote the election. They devoted a great deal of class time to discussion of the election and candidates, and Mr. Byrd had voter registration cards for all eighteen year olds.

Local and state officials were also elected at this time. Everyone was encouraged to vote in the election. Voting for the person or ideas of one's choice is what has made our country the proud and strong country that it is today. Individuals can make a difference.

SAVING TIPS
on electric air conditioning

Central Systems

1. Set thermostat on 78°, or higher.
2. Have equipment checked seasonally by qualified serviceman.
3. Check filter every 30 days. Clean or replace when dirty.
4. Keep furniture, draperies away from air outlets and returns. Clean grills often.
5. Close draperies and blinds to keep out sunlight.
6. Keep fireplace damper closed.
7. Proper home insulation keeps heat out, cuts energy use.
8. Weatherstrip doors and windows. Caulk cracks.
9. Keep windows closed. Open outside doors as little as possible.

Window Units
Follow above suggestions, plus these:

10. Buy units with *highest* "energy efficiency ratio" (EER). If EER is not on sales tag, ask for it or figure it yourself. Divide "wattage" into "BTU" capacity.
11. Place unit where it'll get as little direct sun as possible.
12. Aim air outlets at lower half of doorway to next room to allow warm air from that room to enter at the doortop for recooling, recirculation.
13. Never vent air conditioner into garage. Ventilation is usually too poor for top performance of your unit.

Conserve electricity and you help conserve one or more of the fuels needed to produce it. Conserve fuels and you help assure that there will be enough to meet essential needs for electricity in the future.

If you would like additional information on conserving electricity, call the Customer Service Representative in the TP&L Office.

1980 *Yacht* Is Second in State

The March yearbook workshop held at the University of Texas at Austin was attended by students who were to be on the 1981 *Yacht* Staff. Kelly Weddle, Sharon Rushin, Brian Brashier, Jon James and Tommy Davidson, along with Mr. and Mrs. Stephen Brown attended the workshop to gather new ideas for the upcoming yearbook.

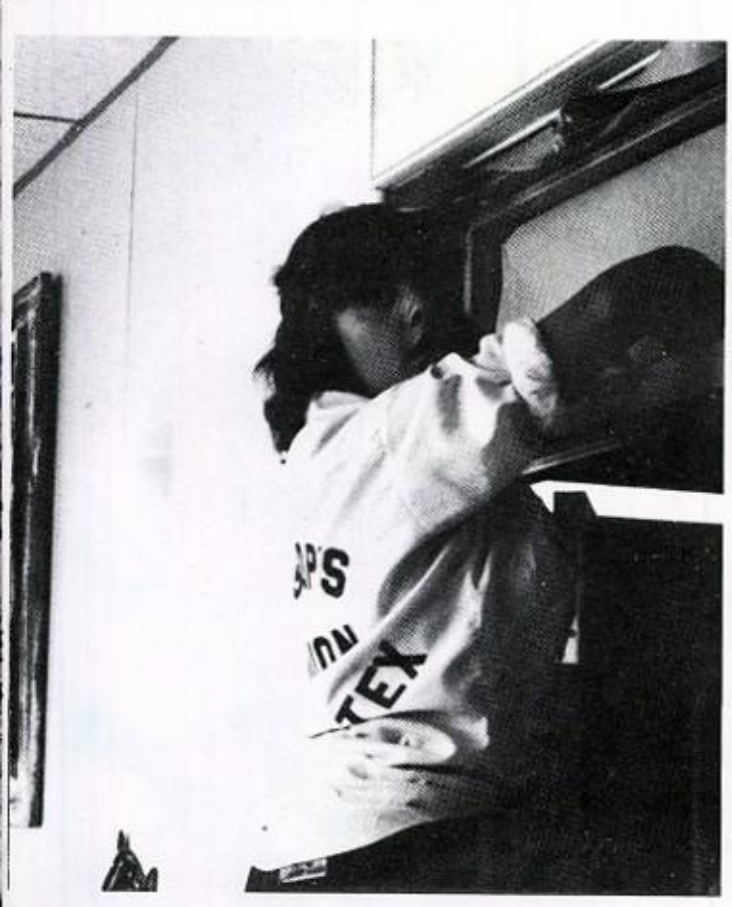
As usual, the 1980 *Yacht* was late, finally arriving on May 19, and the book was distributed to student body and faculty following the assembly on May 20.

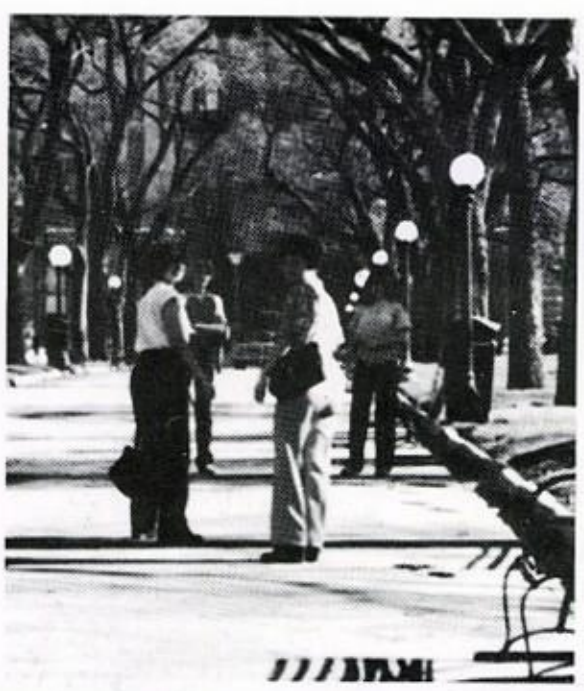
Summer was a busy time for Kelly Weddle,'1981 Yacht Editor, and Mrs. Brown, as they began to plan the '81 Yacht. "We Are the Panthers" was the theme chosen for this year.

The staff was made up of 16 students who put in many long hours to meet deadlines. Yearbook staff was divided into two class periods for the first time, and this allowed extra time to sell ads, draw pages, etc. The 16 staff members sold over $6,000 worth of ads. Six hundred fifty copies of the book were sold despite the price being raised to $13.00.

Guides were added to the index to show which names were on each page. Type used for captions and body was different. Personalities were reduced in number again this year. Type style used throughout the book was Optima.

(Top) **Members of the** *Yacht* **Staff** are: (Front Row) Renee Story, Ronda Kersh, Editor Kelly Weddle, Sponsor Mrs. Rhea Brown, Lori Stephens, Dana Morriss, Cindy Christain, (Second Row) Richard Watson, Tommy Davidson, Brian Brashier, Jon James, John McGee, (Back Row) Rae Jean Pilkinton, Curtis Garrett, and Ruthy Stephens. Not pictured are Assistant Editor Shan Wigley and Scott Bell.
(Right) **Typing Copy:** Mrs. Rhea Brown types copy for the '81 **Yacht**.

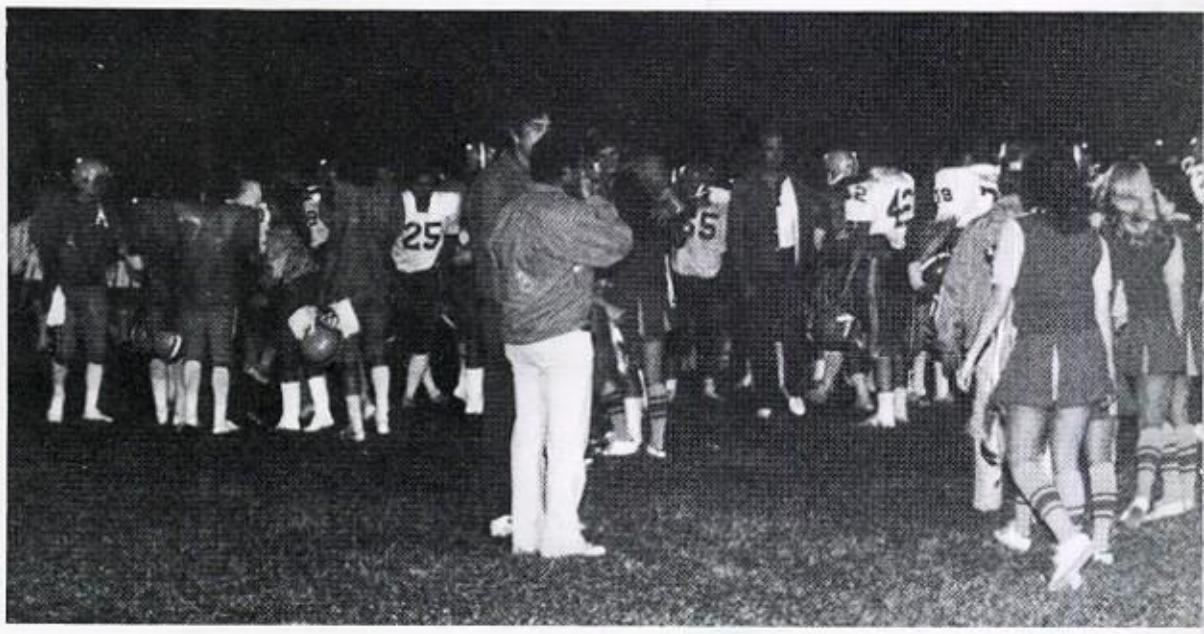




(Top Left) **Giving Instructions:** Editor Kelly Weddle instructs Curtis Garrett which pictures she needs.
(Top Right) **Presenting the 1980 Yacht:** Mrs. Rhea Brown gives students instructions concerning the 1980 *Yacht* while Editor Tracie Weddle watches.
(Bottom Left) **Decorating for Homecoming:** Rae Jean Pilkinton attaches Homecoming Decorations to the office door.
(Middle Right) **Convention:** Kelly Weddle, Tommy Davidson, and Mrs. Rhea Brown walk on the State Capitol grounds in Austin.
(Bottom Right) **Drawing Layout:** Mark Nelson watches as Rae Jean Pilkinton draws lay out.

We Are the Panthers

The 1980 Yacht received the following awards:
All Texas Honor Rating with Special Honorable Mention from
Texas High School Press Association
Certificate of Achievement from
Interscholastic League Press Assoc.
Second Place Rating from
Columbia Scholastic Press Assoc.



(Top Right) **Panther Mascot:** Bobby Fortner leads cheers as the Panther Mascot.
(Top Left) **Panthers!** Panther lettermen participate in a basketball pep rally.
(Middle Right) **The Joy of Victory:** Panther football players shake hands with Trinity Christian following the Homecoming Game.
(Bottom) **Junior High Mascot:** Junior High Cheerleaders Sherry Taylor, Mascot Seanda Towler, and Kristi King cheer the Panthers.

We would like to thank the following people who took pictures for the 1981 *Yacht:*

My ~~Poem~~ Poem Page

There was an old man from nanuckett
~~who~~ who had his head stuck in a bucket
his hair was green he had no ~~the~~ teeth
he slept with his dog and walked his old
hog. I think that old mano kicked the bucket.

The man was dead to say the least
his chest was bare he had no hair
I've seen better looks on a Grizzly Bear.

"about my Sister, and old Girlfriend."

Roses are Red Violets are blue
I've seen pretty girls but there
not as pretty as you.

It takes every member of our school, each contributing his own special part in order for us to be given the title Panthers. Each contribution, no matter how small, is important. This yearbook is designed to show you that you as an individual are important, but you also add to that special group known as the Panthers. As you look back and remember the events that took place at school this year, remember they took place under the name of Panthers. Be proud of the Panthers because **You Are a Panther.**
